Sir :

In accordance with 37 C.F.R. 1.76(c)(2), Applicants submit herewith a Supplemental Application Data Sheet [hereinafter "SADS"] in which only the information to be changed is identified, i.e., the priority date on the Declaration. However, to assist Patent and Trademark Office personnel and to ensure that this SADS is associated with the appropriate file, the following fields are also completed: Application number and filing date; the Attorney docket number; and the Customer number.

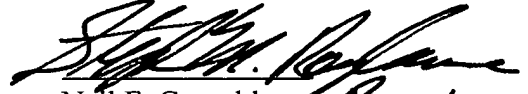

Applicants note that the SADS attached hereto correctly identifies the priority date on the Declaration as ---13/10/2000---, instead of "13/10/2001," which incorrectly appears on the Declaration (but was correctly identified on the Claim of Priority).

P21547.A09 - Cover Letter to Accompany Supp. ADS

Accordingly, Applicants request entry of the attached SADS to ensure that the identified information is accurately printed on the face of the printed patent.

If there are any questions with regard to this submission, the Examiner is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
Nozomu TAKANO et al.
